Prvi koraci ... First step ...

Prvi koraci u stvaranju kvalitetne veze između obrazovanja, umetnosti i sporta i najmlađeg pojedinca, zahtevaju sigurnog partnera. Zdravlje je prioritet svakome ko posvećuje veću pažnju istim vrednostima.

S tim u vezi, Univerzal, kao kuća kvaliteta, razvija liniju torbi koje odlikuju materijali visokog kvaliteta, kako bi očuvali pravilno držanje i zdravlje naših najmlađih, pre svega.

The first step in creating a quality connection between education, art, and sports and the youngest individual requires a secure partner. Health is a priority for anyone who pays more attention to the same values.

In this regard, Univerzal, as The Home of Quality, is developing a line of bags that are characterized by high-quality materials, to preserve the proper posture and health of our youngest, above all.

Tradicija ... Tradition ...

Ranac je forma koja dugo služi kao podrška u prenosu stvari bitnih za svakodnevne aktivnosti.

Posvećeni svojim hobijima, studiranju posebnih disciplina ili razvijanju sportskih vještina, zaslužujemo saputnika koji nam svojim dizajnom ulepšava svakodnevnicu, a kvalitetom i istrajnošću, čini i nas uspješnijim. Upustite se u avanturu sa našim rančevima.

A backpack is a form that has a long tradition as a support in the carrying of things important for everyday activities. Whether we are dedicated to our hobbies, studying special disciplines, or developing sports skills, we deserve a companion who, with his design, beautifies our everyday life, and with his quality and perseverance, makes us more successful. Embark on an adventure with our backpacks.

Razvoj znanja *Development of knowledge*

Za kompaniju **UNIVERZAL** napredak i razvoj školaraca je poseban zadatak za koji se svake godine trudimo da što više podignemo lestvicu. Zato je asortiman **Octopus** proizvoda namenjen našim najmlađim korisnicima i posebno prilagođen njihovim potrebama.

For **UNIVERZAL** the progress and development of school children was always a special goal and every year we try to raise the bar even higher. That is why the Octopus assortment of products developed for our youngest users is specially customized to their needs.

Visokokvalitetne gumice proizvedene od TPR materijala, koje lako i bez oštećenja uklanjaju grafit sa papira i drugih površina na kojima se nalazi grafit. Otporna na lomljenje čak i prilikom konstantne upotrebe, ne ostavlja tragove prašine prilikom brisanja. Kvalitet gumice zadovoljava sve svetske standarde, netoksična.

(ENG)

High-quality rubber made of TPR material, which can easily removed graphite without damage to the paper and other surfaces where there is graffiti. Resistant to breaking even in constant use, no traces leaves of dust during use. Quality rubber meets all international standards, non-toxic.

Apstrakcija i realnost ... Abstract and reality ...

Profesionalan pristup umetnosti je utkan u viziju i nadahnuće svakog umetnika. Veza između apstrakcije i realnog sveta jeste materijal koji se ogleda u kvalitetnom platnu i klasičnoj podršci u vidu uljanih i akrilnih boja.

A professional approach to art is deeply rooted into the vision and inspiration of every artist. The connection between abstraction and the realism is actually a painting material that implies quality canvas, oil and acrylic paints.
